

10 Reasons Why Christian Speakers Should Host Webinars

1. They already speak in public
2. Webinars can be used to teach, not just sell
3. They can sell their books, or services
4. They likely already have a presentation ready
5. Webinars can be easy to set up
6. Webinars can be set up to be on 24/7
7. Webinar hosts can see who signed up
8. It's a good way to grow a mailing list
9. It's a great way to increase trust
10. It's a great platform builder for speakers

All 3 of our Christian speaker packages come with webinar software included
